Fortuna is a traditional Spanish town, located outside the city of Murcia, and has a rich and interesting history and therefore countless museums and historical monuments to explore. But Fortuna is best known for the hot springs and countless thermal springs that the Romans used here in the past and which have been turned into a spa that is worth taking advantage of. The town also offers all the necessary services as well as countless entertainment and we must not forget the Fiestas that are held regularly throughout the year, so there is plenty to see and do.

The Costa Cálida is the ideal place to enjoy an exclusive paradise with all the cultural and natural wealth the region of Murcia has to offer. It is also a top world-class paradise for sports lovers: Nautical sports or an infinity variety of activities such as swimming, sailing or water ski, as well as other sports options that range from tennis to hiking or golf.
